9 CLARIFICATIONS OF REQUESTS FROM BIDDING DOCUMENTATION AND CONTACTS

Should potential Bidders require clarifications of the Purchaser's Bidding Documentation, such requests shall be forwarded to the Purchaser through the Slovenian website for Public Tenders "Portal javnih naročil" not later than ten (10) days before the deadline for Bid submission by 2 p.m. at the latest.

The Purchaser shall answer the questions through the same portal site no later than three (3) days before the deadline for Bid submission.

All answers will be part of the Bidding Documentation for the Preparation of Bids.

The Purchaser reserves the right to modify (change) Bidding Documentation no later than three (3) days before the deadline for Bid submittal either by its own initiative or as a response to the request of potential Bidders. The modifications shall be published on Slovenian website: "Portal javnih naročil".

Purchaser can extend the Bid deadline to allow the Bidders to consider alterations of their Bid.

10 BID CHANGES AND WITHDRAWAL OF BIDS

The Bidder may withdraw the Bid, supplement or replace it no later than the deadline for Bid submittal.

After expiration of the bidding deadline, the Bidders cannot change the Bids submitted, replace or supplement them.

Possible corrections in the Bid shall be marked, stamped and signed by a duly authorized person.

The Bidders are expected to carefully review all the listed documents. Nonfulfillment of Purchaser's requests/conditions from the Bidding Documentation shall disqualify the Bid from further competition. All Bids must be compliant with the Bidding Documentation and must meet all the conditions for participation in this public tender/bidding.

Bidding Documentation is available to Bidders free of charge.

11 BIDS OPENING

Expert commission (hereinafter referred to as »Commission«) or responsible persons for the public tender, appointed by the Purchaser's Management Board, shall open the Bids in the premises of NPP KRSKO, Vrbina 12, Krsko, on

August 21, 2017 at 2:00 p.m.

regardless of the presence of Bidders' representatives. Before the beginning of the Bids Opening, the Bidders' representatives shall submit to the Commission a Letter of Authority for their participation at the Bids Opening which will also allow them to give objections to the Bids opening procedure. Other entities can be present at the opening but will not be allowed to object to the Minutes of the Bid(s) opening.

Please consider the time required to enter the nuclear facility (at least 15 minutes).

The Commission will prepare the Minutes of the Bids Opening, containing the information required by Article 88 of the ZJN-3. The Minutes shall be signed by the president of the Commission, its members and the authorized Bidders' representatives participating at the Bids opening. A copy of the Minutes shall be sent to the Bidders no later than 5 days after the Bid opening.

12 LAWS AND REGULATIONS

Contract shall be awarded based on the clauses from the Public Procurement Act (ZJN-3 Official Gazette of the Republic of Slovenia, No. 91/15) as well as regulations resulting therefrom including also Ionising Radiation Protection and Nuclear Safety Act (Zakon o varstvu pred ionizirajočimi sevanji in jedrski varnosti (official consolidated version) /ZVISJV-UPB2/ Official Gazette of the Republic of Slovenia, No. 102/2004, 60/2011 and 74/15) Rules on Radiation and Nuclear Safety Factors (Pravilnik o dejavnikih sevalne in jedrske varnosti-Official Gazette of the Republic of Slovenia, No. 92/2009 and 9/10 corr.) if applicable.

Also the provisions of the following regulations and other documents will be used in awarding the contract:

- Legal Protection in Public Procurement Procedures Act (ZPVPJN, Official Gazette of the RS, no. 43/2011, 60/11- ZTP-D and 63/13);
- Public Finance Act (ZJF, Official Gazette of the RS, no. 11/11 – official consolidated text, 14/13 – corr. and 101/13);
- Value Added Tax Act (ZDDV-1, Official Gazette of the RS, no. 13/11 – official consolidated text, 18/11, 78/11, 38/12, 83/12 and 86/14));
- Civil Procedure Act (ZPP-UPB3, Official Gazette of the RS, no. 73/2007, 45/08) if applicable;
- Decree on Green Public Procurement (Official Gazette of the RS, no. 102/11, 18/12, 24/12, 64/12, 2/13 and 89/14);
- ZGO-1 (Slovenian Construction Act) if applicable
- the relevant legislation regulating this area.

The procedure shall be carried out in full compliance with the applicable legislation, mentioned above. With regard to the subject of the public procurement, the Bidder satisfies and complies with all provisions concerning the subject of the public procurement prescribed by the applicable legislation.

13 ANTICORRUPTION CLAUSE

Before the official notification on the selection of the winning Bidder, information related to the review, clarification, evaluation and comparison of the Bids as well as recommendations for Contract award shall not be disclosed to the Bidders or any other individual, unless specifically required by a relevant procedure.

The Purchaser and the Bidder shall not perform activities which might influence the selection of a particular Bid.

The Purchaser shall decline the Bid if the Bidder, who submitted the Bid, gives or is prepared to give the Purchaser's current or former employee a present in cash or any other valuable object, offer them a job or any other present or service the value of which can be expressed in currency and by means of which the Bidder would influence the decision or further course of Bids evaluation.

The reasons for declining the Bid shall be expressly stated in the letter sent to the Bidder and in the documentation related to Public Tendering.

If at any time during the Contract award or execution of the Contract it becomes known beyond reasonable doubt that bribery act from the previous paragraph has been committed or attempted, or that the Contract has been awarded due to the bribery act being promised or committed, directly or indirectly, or if Purchaser's employee or other individual with the potential influence on Contract award or execution requested any kind of service or present, the Contract shall be null and void regardless of the phase of its execution.

14 REVISION/ REVIEW REQUEST

Every Bidder participating in the bidding, who maintains that the bidding procedure has not been performed in accordance with Public Procurement Act (ZJN-3 Official Gazette No. 91/15), can request the review of the procedure.

The Review shall be performed in accordance with the Legal Protection in Public Procurement Procedures Act (ZPVPJN).

The applicant must submit with the request for review the certificate for the payment of tax from Article 71 of the ZPVPJN in the amount of EUR 3.500,00.

Tax is paid to the account of the Ministry of Finance no. 01100-1000358802 – implementation of the budget of the RS, reference 11 16110-7111290-XXXXXXX. The six X digits represent the number of publication on the public procurement portal and the last two year of publication.

BID

15 BID LANGUAGE

Bids and other relevant documentation related to the Bid should be written in the Slovenian or English language.

16 PRICE AND TERMS OF PAYMENT

The Bidder shall provide the Bid with the Total Fixed and Firm Contract Price and Price break down for the Scope of Service as defined in the Bid form – Attachment No. 1 to this Bidding Documentation.

The Bidder shall have no right to the Price(s) increase whatsoever unless revision of Technical Specification occurred and be agreed with all the bidders during negotiations that are affecting the price. In case of increase/decrease of VAT according to relevant Slovenian Law, net price shall remain the same. Bidders/Purchaser has the right to change the amount resulting from the change in VAT.

The currency of the Bid shall be EUR or USD. In the case the Bid Price is expressed in USD, Purchaser will proceed as follows:

- For the purpose of Bid ranking and evaluation (clause 84 of ZJN-3) USD will be converted to EUR and fixed using official average Bloomberg Exchange Rate, on the day of the Bid opening.
- For the purpose of defining a contractual price (fixed and firm), USD will be converted to EUR and fixed using official average Bloomberg rate, on the effective day of the Contract

The payments shall be effected in EUR and in accordance with payment milestones stated in the final Contract.

17 PROPRIETARY INFORMATION

The Bidders must mark as "PROPRIETARY" all the documents in the Bid which they consider to be their proprietary data in the upper right corner of each page. If only specific data in the Bid are considered to be confidential, such data must be underlined and "PROPRIETARY" must be indicated at the end of that line. The Purchaser hereby informs the Bidders that the data that are considered public in line with the provision of the second paragraph of Article 35 of the ZJN-3 cannot be marked as confidential. **These include specifications of the offered services and/or civil works, value of individual items and total value of the Bid** and all the data used for the ranking of the Bid by the predefined criteria. Documents that are validly marked as confidential or PROPRIETARY by the Bidder shall only be used for the purpose of the public tender/Bidding and shall not be made available to anybody outside the circle of persons included in the Bidding procedure. The Purchaser will be fully responsible for protecting confidentiality of data obtained in such a way. Such data will never be published.

The Purchaser will treat as confidential those data in the Bidding documentation marked as "PROPRIETARY" and will not be responsible for the confidentiality of the data not marked as indicated, except for the data that are considered confidential data, proprietary or protected personal data under the applicable regulations. If the data that do not meet the legal criteria (e.g. ZDIJZ) are marked as confidential, the Purchaser will ask the Bidder to remove the mark CONFIDENTIAL or PROPRIETARY. This will be done by the Bidder's representative, namely by indicating "CANCELLATION", dating and signing the note. If the Bidder fails to cancel the confidentiality of data within the time limit set by the Purchaser, the latter may remove the marks "PROPRIETARY" by itself.

18 BID VALIDITY

Bid validity date must be clearly specified in the Bid.

Bid validity specified in the Bid shall be at least 120 days after the date of Bids opening.

19 CLARIFICATION OF BIDS

The Purchaser may, by its own choice, ask the Bidders for clarifications of their Bids including the analysis of unit prices. Such a request can be forwarded to the Bidders until the date of the Purchaser's selection of the best Bid.

Requests for clarifications as well as the answers to the requests must be in writing.

The Purchaser reserves the right to ask the Bidder to provide additional explanations of the Bid in addition to the reasons from Article 89 in the ZJN-3 in the case of any ambiguities in the Bid. The Purchaser shall inform the Bidder of any ambiguities that need to be clarified and set the date for providing clarifications and supplements. The deadline may not be shorter than three (3) days. If the Bidder fails to provide the requested clarifications and supplements to the Bid within the set deadline, such a Bid shall be excluded from the process of awarding public contract.

20 TERMINATION OF PROCEDURE AND WITHDRAWAL FROM THE CONTRACT AWARDING

The Purchaser reserves the right to terminate the procedure for awarding the contracts at any time prior to the date for delivering the Bids. The Purchaser shall not offer compensation for the costs incurred by the Bidders for compiling the Bidding documentation, of which the Bidders have been informed.

After adopting the decision on the award of contract, the Purchaser shall have the right not to sign the contract for the reasons defined in the sixth paragraph of Article 90 of the ZJN-3 or paragraph 8 of the ZJN-3.

CONTRACT AWARD

21 DECISION ON CONTRACT AWARD

The Purchaser shall award the Contract to the Bidder of the most competitive Bid.

The Purchaser shall make selection of the most competitive Bid, send the Decision on Contract Award to all Bidders and make a Notification on Contract Award through "Portal javnih naročil".

The Decision on Contract Award will evidence the reasons for the Purchaser's selection of the best Bid and the amount to be paid by the Purchaser to the Bidder for the execution of the Contract.

The Purchaser shall invite the best Bidder to sign the Contract.

Within the period of eight (8) working days after receipt of the Contract, the selected best Bidder shall sign the Contract and return it to the Purchaser. Otherwise the Purchaser shall deem the Bidder has withdrawn the Bid. From the moment of the best Bid selection till the beginning of the Contract validity, both the Purchaser and the Bidder must not undertake any activity which might jeopardize the beginning of the Contract validity or its execution.

The Purchaser retains the right to accept or decline any or all the Bids.

CONDITIONS FOR BID ACCEPTANCE

22 GENERAL

Signed evidences shall be submitted by the Bidders proving that conditions were met.

1. Fulfillment of all requirements listed in the Bidder Declaration of Eligibility (Attachment no.2).
2. At least two confirmed company references in the past six (6) years (references must be stated in the attachment to Bid) for the same or similar projects (systems) performed on energy facilities in particular on operating nuclear power plant as defined in Attachment no.5.
3. The Bidder has qualified and experienced staff and proper technical equipment for the Scope of Supply completion, as specified in Attachment no.10 The personnel and equipment qualification must be certified as stated under paragraph 8 of Technical Specification No. IN 8170878, Rev. 0
4. The equipment and software shall be qualified and certified in accordance with the requirements as specified in Technical Specification No. IN 8170878, Rev. 0 , Classification: SR (Safety Related) proven by signing the Attachment no.11.
5. The Bidder has Quality Management System in accordance with requirements stated in Paragraph 13 of NEK Technical Specification No.IN 8170878, Rev.0. Quality Management System Manual shall be identified in the Bid (document ID, title, revision number)(Attachment no.8)
6. The Bidder complies with all requirements from Technical Specification No. IN 8170878, Rev. 0 , Classification: SR (Safety Related). The required certificates and references must be integral part of the Bid (Attachment no.6.).
7. The Bidder and his subcontractors shall be registered in accordance with ZVISJV.
8. The Bidder has paid all due liabilities to subcontractors in the previous contract award procedures and has not been included in the record of Bidder with negative references.
9. Good certified command of English language (language course certificate)

The conditions must be filled in by Bidders and partners in a common Bid.

The Bidder may reference condition to be met with a subcontractor only to the extent that it will actually take and pass a subcontractor. If the Bidder has fulfilled the reference condition with a subcontractor, Purchaser will not allow the exchange of such subcontractor, unless the Bidder shall provide another subcontractor that meets the reference condition.

The Purchaser reserves the right to verify the statements and request additional evidence (eg.:contract with the investor or an employer statement, proof of payment, ...) for the reference or check the reference directly with investor.

23 SUBCONTRACTORS

The Bidder may execute the public tender/bidding alone or partly or completely using subcontractors fulfilling requirements declared herein, as well as declared in the Technical Specification.

In case the Bidder should engage subcontractors for part of the Scope of Services, the Bidder shall consider Article 94 of ZJN-3.

For each subcontractor the Bidder and subcontractor shall fill in the Attachment no.4.

The Bidder must submit, for each subcontractor, the following relevant data:

- part of the public contract assumed by individual subcontractor in the scope of the public contract;
- part of the public contract assumed by the lead Bidder in the scope of the public contract;
- contact persons and legal representatives of the proposed subcontractors
- **subcontractor's statement of request to the Purchaser to directly settle the subcontractor's receivables due or not** from the lead contractor, instead of the latter
- the Bidder's authorization to the Purchaser to make payments to the subcontractors for the services provided directly, based on the approved invoice or specification.

Contractor/Bidder and subcontractors shall authorize the Purchaser to make payment instead of the Contractor/Bidder directly to the subcontractors if he requests the direct payment. The terms of payment to Bidder and his subcontractors shall be the same. Direct payments to subcontractors are obligatory according to ZJN-3 if they are requested by the subcontractor.

The Bidder is fully responsible for the fulfillment of the complete Scope of Services.

If a subcontractor is replaced after the public contract is awarded or if the Bidder concludes a contract with a new subcontractor after the public contract award, the Bidder that concluded the Contract with the Purchaser must submit to the latter, within 5 days of change:

- the statement that all non-disputed liabilities have been settled to the original subcontractor;
- contact persons and legal representatives of the new proposed subcontractors;
- **subcontractor's statement of request to the Purchaser to directly settle or not** the subcontractor's receivables due from the lead contractor, instead of the latter

The Purchaser reserves the right and has to eliminate the new subcontractors if there are reasons (reasons are the same as for the Bidder) for elimination stated in this Bidding Documentation and shall inform the Contractor about the elimination in 10 days following the submitted proposal of a new subcontractor.

The Purchaser shall pay directly the subcontractor based on the Contractor's authorization for direct payment with subcontractor's consent (Att.4) and subcontractor's invoices enclosed to Contractor's invoices.

If the subcontractor does not request direct payment, Contractor and subcontractor must provide the Purchaser with a statement signed by both Contractor and subcontractor confirming that the subcontractor has received payment for his part of the provided services and/or goods. The statement must be provided to the Purchaser within 60 days after the Contractor has issued the final invoice to the Purchaser.

A subject that meets the criteria of a **related company** under the law regulating companies, based on the relationship with the selected Bidder, shall not be considered a subcontractor. In this case:

- a subject, legal or natural person, actually providing goods, services or civil works directly related to the subject of the public contract for a person, related to the selected Bidder, shall be deemed subcontractor for the purpose of direct payments if requested.
- the selected Bidder must also conclude a contract with such subcontractor from the previous line.

24 THE BID OF A GROUP OF LEGAL BUSINESS ENTITIES (JOINT VENTURE)

In the case that a group of business entities should Bid together as one entity (joint venture), each entity shall fulfill the conditions regarding basic capabilities demanded by Purchaser (declaration of eligibility, compliance with the Bidding documentation, compliance with the technical specification for its part of scope). Economic, financial, technical and staff capabilities may be fulfilled by all Bidders together.

Bid shall contain data demanded by the Purchaser regarding the basic capabilities of each entity separately.

The rest of the attachments shall be fulfilled by all Bidders together.

The legal act on joint action must be submitted (signed and stamped contract between all partners) by all Bidders, clearly specifying the following:

- appointment of the lead Bidder (also core partner) in the implementation of public contract,
- authorization of the lead Bidder (also core partner) and the person in charge for signing the Bid and the contract,
- scope of work (detailed specification of type and scope of works) to be performed by individual Bidders and their responsibilities,
- statement that all Bidders participating in the joint Bid have been acquainted with the Instructions to Bidders and the Bidding conditions and criteria for awarding public contracts and that they fully agree with them,
- statement that all Bidders have been informed of the payment conditions from the Bidding documentation, and
- unlimited joint and several liability of all the Bidders in the joint Bid.

The Contract shall define the core partner that shall be authorized for signing the complete Bid Documentation, Contract and for taking full responsibility and accepting instructions in the name and for the account of each and all business partners.

Data on the type of work to be provided by the partner, on the partner name, full address, registration number, tax number, and transaction account, subject, amount, value, place and time of implementation of these works are an important element of the contract on the implementation of public contract.

In the Contract the core partner shall authorize the Purchaser to pay directly to partners all the invoices previously authorized for payment by the core partner. Contractor/Bidder and partners shall authorize the Purchaser to make payment instead of the Contractor/Bidder directly to the partners. The terms of payment to Bidder and his partners shall be the same.

Lead Bidder shall invoice the whole amount and then in the text clearly state the amount of Partners in JV separately and enclose invoices of the partners, addressed to the lead partner, to be paid directly by the Purchaser.
