Amendment No. 2 to the Contract on the Probabilistic Seismic Hazard Analysis for JEK2

INTRODUCTORY PROVISIONS

Article 1

The Contracting Parties initially note that:

- the Contracting Authority, RIZZO, GeoZS and Abrahamson concluded on December 23, 2021 the Contract on the Probabilistic Seismic Hazard Analysis for JEK2 and on January 12, 2023 Amendment No. 1 to the Contract on the Probabilistic Seismic Hazard Analysis for JEK2 (hereinafter Contract);
- in order to obtain information on the variables that have the greatest influence on the seismic safety calculation of a site, the site of the Krško NPP should be included;
- for the above reasons the Contracting Authority has prepared new Technical Specifications TS-SP-2021-003 Probabilistic Seismic Hazard Analysis for JEK2 and NEK sites, TS-SP-2021-003, Revision 1;
- the Contracting Authority on March 17, 2023 received from Contractor bid for additional work;
- the Contract is modified in accordance with point 2 of the first paragraph of Article 95 of the Public Procurement Act (ZJN-3) for additional scope of work that become necessary and that were not included in the initial procurement;
- with this Amendment No. 2 is being concluded.

SUBJECT OF THE CONTRACT

Article 2

The Article 2 of the Contract shall be amended as follows:

“The subject of the contract is the Probabilistic Seismic Hazard Analysis for JEK2 project, which is defined in more detail in the Technical specifications TS-SP-2021-003 Probabilistic Seismic Hazard Analysis for JEK2 site and the Technical Specifications TS-SP-2021-003, Revision 1; Probabilistic Seismic Hazard Analysis for JEK2 and NEK sites (hereinafter: technical specifications).”

Article 3

The Article 4 of the Contract shall be amended as follows:

“The Contractor is to carry out the services referred to in this Contract in line with:

- this Contract;
- Technical specifications TS-SP-2021-003 Probabilistic Seismic Hazard Analysis for JEK2 and NEK sites, TS-SP-2021-003, revision 1;
- the documentation in connection with the award of public contract marked JN-S-005/2021;
- the bid submitted in e-JN system on 30.11.2021 and 13.12.2021;
- the bid submitted by e-mail on 17. 3. 2023;
- Technical specifications TS-SP-2021-003 Probabilistic Seismic Hazard Analysis for JEK2 site.

Where individual content or requirements referred to in various documents are inconsistent with each other, the principle of priority determined by the order set out in the previous paragraph of this Article shall apply.”
