Part III: Exclusion grounds

A: Grounds relating to criminal convictions

Article 57(1) of Directive 2014/24/EU sets out the following reasons for exclusion

Participation in a criminal organisation

Corruption

Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for corruption, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 3 of the Convention on the fight against corruption involving officials of the European Communities or officials of Member States of the European Union, OJ C 195, 25.6.1997, p. 1, and in Article 2(1) of Council Framework Decision 2003/568/JHA of 22 July 2003 on combating corruption in the private sector (OJ L 192, 31.7.2003, p. 54). This exclusion ground also includes corruption as defined in the national law of the contracting authority (contracting entity) or the economic operator.

Fraud

Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for fraud, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? Within the meaning of Article 1 of the Convention on the protection of the European Communities' financial interests (OJ C 316, 27.11.1995, p. 48).

Terrorist offences or offences linked to terrorist activities

Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for terrorist offences or offences linked to terrorist activities, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Articles 1 and 3 of Council Framework Decision of 13 June 2002 on combating terrorism (OJ L 164, 22.6.2002, p. 3). This exclusion ground also includes inciting or aiding or abetting or attempting to commit an offence, as referred to in Article 4 of that Framework Decision.

Money laundering or terrorist financing

Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for money laundering or terrorist financing, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 1 of Directive 2005/60/EC of the European Parliament and of the Council of 26 October 2005 on the prevention of the use of the financial system for the purpose of money laundering and terrorist financing (OJ L 309, 25.11.2005, p. 15).

Child labour and other forms of trafficking in human beings

Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for child labour and other forms of trafficking in human beings, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 2 of Directive 2011/36/EU of the European Parliament and of the Council of 5 April 2011 on preventing and combating trafficking in human beings and protecting its victims, and replacing Council Framework Decision 2002/629/JHA (OJ L 101, 15.4.2011, p. 1).

B: Grounds relating to the payment of taxes or social security contributions

Article 57(2) of Directive 2014/24/EU sets out the following reasons for exclusion

Payment of taxes

Has the economic operator breached its obligations relating to the payment of taxes, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment?

Threshold

50.00 EUR

Payment of social security

Has the economic operator breached its obligations relating to the payment social security contributions, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment?

Threshold

50.00 EUR

C: Grounds relating to insolvency, conflicts of interests or professional misconduct

Article 57(4) of Directive 2014/24/EU sets out the following reasons for exclusion

Bankruptcy

Is the economic operator bankrupt? This information needs not be given if exclusion of economic operators in this case has been made mandatory under the applicable national law without any possibility of derogation where the economic operator is nevertheless able to perform the contract.

Insolvency

Is the economic operator the subject of insolvency or winding-up? This information needs not be given if exclusion of economic operators in this case has been made mandatory under the applicable national law without any possibility of derogation where the economic operator is nevertheless able to perform the contract.

D: Purely national exclusion grounds

Purely national exclusion grounds

Is the economic operator excluded from contract award procedures on the date of the expiry of the time limit for the submission of tenders or requests due to its inclusion in the register of economic operators with secondary sanctions of exclusion from public procurement procedures?

Has in the last three years before the expiry of the deadline for the submission of tenders or applications, the competent authority of the Republic of Slovenia or of another Member State or of a third country established at least two violations by the contractor or its sub-contractor concerning remuneration for work, working hours, rest periods or performance of work under civil-law contracts despite the existence of elements of employment relationship, or concerning illegal employment for which the contractor or its sub-contractor have been fined for this offence by a final decision or by several final decisions? Other exclusion grounds that may be foreseen in the national legislation of the contracting authority's or contracting entity's Member State. Has the economic operator breached its obligations relating to the purely national grounds of exclusion, which are specified in the relevant notice or in the procurement documents?

Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for violation of the fundamental rights of employees, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 196 of the Criminal Code (Official Gazette of the Republic of Slovenia, no. 50/12 - Officially Consolidated Text and no. 54/15; hereinafter: CC-1).

Part IV: Selection criteria

Concerning the selection criteria the contracting authority declares that

A: Suitability

Article 58(2) of Directive 2014/24/EU sets out the following selection criteria

Enrolment in a trade register

It is enrolled in trade registers kept in the Member State of its establishment as described in Annex XI of Directive 2014/24/EU; economic operators from certain Member States may have to comply with other requirements set out in that Annex.

C: Technical and professional ability

Article 58(4) of Directive 2014/24/EU sets out the following selection criteria

For service contracts: performance of services of the specified type

For public service contracts only: During the reference period, the economic operator has provided the following main services of the type specified. Contracting authorities may require up to three years and allow experience dating from more than three years.

Minimum number of references

Requirement

The tenderer must demonstrate in the tender that in the last five (5) years before the tender submission deadline, they have provided or are still providing quality service of tendering access to an online database of regulatory information in the fields of electronic communications, media, postal services, radio spectrum, digital economy, and competition law to national European regulatory bodies, in a manner and to at least the same extent as anticipated by this public procurement. The tenderer proves this condition by listing all national European regulatory bodies for which the tenderer has implemented or is implementing the technical solution in the manner it will be implemented for the client of this specific public procurement (FORM-6) and attaches at least five (5) references from such Clients (FORM-5). If more than one tenderer fulfils the condition, the client shall select among all appropriate tenderers the one with the highest number of aforementioned clients to whom the tenderer already provides or has provided the technical solution subject to public procurement in the past five (5) years.

Allowance of checks

For complex products or services to be supplied or, exceptionally, for products or services which are required for a special purpose: The economic operator will allow checks to be conducted on the production capacities or the technical capacity of the economic operator and, where necessary, on the means of study and research which are available to it and on the quality control measures? The check is to be performed by the contracting authority or, in case the latter consents to this, on its behalf by a competent official body of the country in which the supplier or service provider is established.

Requirement

The tenderer selected as the most favourable shall be requested by the client to provide a 14-day free full access trial to the services consistent with the subject of the public procurement and the requirements from these technical specifications. The most favorable tenderer shall send the URL, username, and password for accessing the online database for the purpose of verifying the suitability of the solution provided, upon the client's request during the tender verification phase. Documents: The most favourable tenderer must provide the client with a free trial access to their online regulatory content database within the deadline set by the client in the call.

Subcontracting proportion

The economic operator intends possibly to subcontract the following proportion (i.e. percentage) of the contract. Please note that if the economic operator has decided to subcontract a part of the contract and relies on the subcontractor's capacities to perform that part, then please fill in a separate ESPD for such subcontractors, see Part II, Section C above.

Part V: Finish

Part VI: Concluding statements

The undersigned formally declare that the information stated under Parts II - V above is accurate and correct and that it has been set out in full awareness of the consequences of serious misrepresentation.

The undersigned formally declare to be able, upon request and without delay, to provide the certificates and other forms of documentary evidence referred to, except where:

- a) the contracting authority or contracting entity has the possibility of obtaining the supporting documentation concerned directly by accessing a national database in any Member State that is available free of charge (on condition that the economic operator has provided the necessary information (web address, issuing authority or body, precise reference of the documentation) allowing the contracting authority or contracting entity to do so. Where required, this must be accompanied by the relevant consent to such access), or
- b) the contracting authority already possesses the documentation concerned.

The undersigned formally consent to contracting authority or contracting entity gaining access to documents supporting the information, which has been provided in Part III and Part IV of this European Single Procurement Document for the purposes of procurement procedure as set out in Part I.
