

Occupational health and safety and fire safety

As the selected contractor, we hereby undertake the following:

1. To respect the Slovenian regulations on occupational health and safety and fire safety, as well as other regulations in force at the Client's company.
2. Before entering TEŠ and commencing works, we undertake to sign the Agreement on joint measures for ensuring safety and health at work on a joint work site. For this purpose we will send the Client the following data to the following addresses: marko.ojstersek@te-sostanj.si or simon.cremoznik@hse.si:
 - Company name and address,
 - Name and surname of the person representing the company and their title,
 - Description of the works that will be performed at TEŠ based on a contract/purchase order,
 - Number and validity of the contract/purchase order,
 - Company names and addresses (in case subcontractors are employed),
 - Name, surname and mobile phone number of the person that will be responsible on our behalf for the health and safety of our workers at the TEŠ site.
3. To submit a written statement to guarantee that for each employee, including the workers of our subcontractors performing works at our site at the Šoštanj Thermal Power Plant, we have the following documentation:
 - ⇒ valid employment contract,
 - ⇒ proof of social security, pension and disability insurance,
 - ⇒ insurance in case of a work accident,
 - ⇒ proof of occupational health and safety and fire safety training,
 - ⇒ proof of the worker's health capacity to perform the assigned works,
 - ⇒ work permit for citizens of countries that are not members of the European Union.
4. Before entering and commencing works at TEŠ, all our workers and/or workers of our subcontractors will perform an obligatory test of knowledge of occupational health and safety and fire safety.

The employees can perform the test via the following link:
<https://www.te-sostanj.si/preizkus-test/> or
on the computer at the lobby of the TEŠ administrative building.
