

Three number lines are shown, each illustrating the addition of 30 to a starting number. Each line has tick marks every 10 units. The first line starts at 90 and ends at 120, with an arrow pointing from 90 to 120. The second line starts at 160 and ends at 190, with an arrow pointing from 160 to 190. The third line starts at 280 and ends at 310, with an arrow pointing from 280 to 310.

Three number lines are shown, each representing the addition of 30 and 50. The first line starts at 0 and has a tick mark at 30, with an arrow pointing to 80. The second line starts at 0 and has a tick mark at 30, with an arrow pointing to 80. The third line starts at 0 and has a tick mark at 30, with an arrow pointing to 80.
