Krško, March 17, 2025

In pursuance of Article 90 of the Public Procurement Act (ZJN-3, Official Gazette of the Republic of Slovenia, No. 91/15 with all amendments) Nuklearna elektrarna Krško, d.o.o., Vrbina 12, 8270 Krško (hereinafter: Purchaser), represented by Gorazd Pfeifer, President of the Management Board, and Saša Medaković, Member of the Management Board, adopts the following

DECISION ON CONTRACT AWARD

For
"Supply of trim set valve"

to the only Bidder "Flow America, LLC, 8800 Westplain Drive, 77041 Houston, United States.".

Explanatory Note

The Purchaser has implemented the Public Tendering Negotiation Procedure without prior notification for "**Supply of trim set valve**" in accordance with Art. 46, third paragraph, point b., of the Slovenian Public Procurement Act (ZJN-3).

The Purchaser provided the "Instructions to bidders for the public tender" (July 15, 2024) to the only potential Bidder Flow America, LLC, 8800 Westplain Drive, 77041 Houston, United States.

By the extended Bidding deadline, August 13, 2024 at 1:00 p.m., the Purchaser received a Bid amounting to USD 22.409,00 (VAT excl.).

Upon review of the offer, Purchaser identified that the part number (P/N) listed in the offer differs from the one requested in the RFQ. The Bidder was invited to provide clarification on August 19, 2024. On August 19, 2024, the Bidder confirmed that the letter 'V' was administratively added to the P/N for brand identification purposes and that it is an identical part.

The Purchaser found that the offer is acceptable, and that the Bidder can be invited to submit the final offer. The Bidder was invited on August 28, 2024, to submit the final offer by September 5, 2024, at 1 PM.

The Bidder communicated by the deadline for submitting the final offer, dated September 4, 2024, that the initial offer no. 20268012 is also the final offer and that the value of the offer remains the same (USD

22,409.00).

Upon review of the final offer, it was determined that the Bidder did not confirm all TQRs. On September 3, 2024, the Bidder was requested to provide additional information regarding the TQRs.

On February 24, 2025, the Bidder finally communicated the acceptance of the TQRs, except for G69 (Final inspection report). The Purchaser accepted the explanation and confirmed the admissibility of the offer.

Given the aforementioned details, the public procurement contract for the "**Supply of trim set valve**" has been awarded to FLOW AMERICA, LLC, 8800 WESTPLAIN DRIVE, 77041 HOUSTON, UNITED STATES as the sole qualified Bidder, due to their ability to meet the terms, conditions and delivery timeframe specified by Purchaser.

The Purchaser's decision is thus reasoned entirely.
