Nuklearna elektrarna Krško, d.o.o.
Vrbina 12, 8270 Krško
Slovenija

In pursuance of Article 90 of the Public Procurement Act (ZJN-3, Official Gazette of the Republic of Slovenia No. 91/15 with all amendments) Nuklearna elektrarna Krško, d.o.o., Vrbina 12, 8270 Krško (hereinafter: Purchaser), represented by Mr. Gorazd Pfeifer, President of the Management Board, and Mr. Saša Medaković, Member of the Management Board, adopts the following

DECISION ON CONTRACT AWARD

for "Supply of Electric Motor for Air Handling Unit"

Explanation of public procurement procedure

With reference to Article 47 of ZJN-3 the Purchaser provided the Bidding Documentation no. 342/24-8242594 for "Supply of Electric Motor for Air Handling Unit" according to *Small value tender with negotiation*. The public procurement procedure was published on 6th February 2025 on the Slovenian Public Procurement Portal under JN000699/2025-SL3/01.

By the bidding deadline, 10th March 2025, the Purchaser received two (2) Bids with the following basic elements:

Name and address	No. of Bid	Date & Time of Bid Receipt	Total Price (VAT excl.)
Homewood Energy Services, 820 Washington Blvd., Pittsburgh, PA 15206	03/10/km/25/00/NEK	7 March 2025 at 04:43 a.m.	USD 118,800,00
Westinghouse Electric Company, LLC., Westinghouse Electric Company, LLC, WPB, 1000 Westinghouse Drive, New Stanton, 15672 PA, USA	RFQ-63308	10 March 2025 at 09:43 a.m.	EUR 149.732,97

Upon review of the Bids, the Purchaser established that the Homewood Bid meets the conditions for bid acceptance, whereas the Westinghouse Bid requires clarifications. Therefore, on 14th March 2025 the Purchaser invited Westinghouse to provide some clarifications of its Bid. Westinghouse provided the clarifications on time but did not provide all requested data concerning the characteristics of the offered motor (i.e. amperage and style number). Additionally, the Bidder

stated that the document named in its Bid, which was supposed to prove the fulfillment of the G13 requirement (i.e. certification of qualification), is not applicable. Consequently, the Purchaser cannot establish the fulfilment of G13 requirement. Based on the aforementioned, the Purchaser established that Westinghouse Bid does not meet the technical and quality requirements and thus is inadmissible.

On 19th March 2025 the Purchaser invited Homewood to reconsider the price and provide its Final Bid by 21st March 2025.

The Bidder submitted its Final Bid with the following basic elements:

Name and address	No. of Bid	Date & Time of Bid Receipt	Total Price (VAT excl.)
Homewood Energy Services, 820 Washington Blvd., Pittsburgh, PA 15206	03/10/km/25/01/NEK	19 March 2025 at 07:31 p.m.	USD 108.000,00

2. Bid completeness

In accordance with Article 89, paragraph 1, point 2 of ZJN-3, Purchaser established that the Bid is permissible on the following grounds:

- it was submitted on time
- it fulfills all the conditions/requests specified in the Bidding Documentation
- its price does not exceed the Purchaser's funds available for the purchase
- it was not evaluated by the Purchaser as the Bid with unusually low Unit and Total Price
- it shows no evidence of unpermitted settlement with other potential Bidders or corruption.

Based on the above said the Contract for "Supply of Electric Motor for Air Handling Unit" has been awarded to the Bidder Homewood Energy Services, 820 Washington Blvd., Pittsburgh, PA 15206.

Legal instruction

The bidders who were not selected, are allowed to submit a request for review/revision within eight working days from the receipt of the decision on award or elimination of public procurement in compliance with Legal Protection in Public Procurement Procedures Act (ZPVPJN, OG RS No. 43/11, with all amendments). Request for revision shall be submitted by portal eRevizija. The applicant must submit with the request for review the bank certificate for the payment of tax in the amount of EUR 2.433,90 EUR to the account of the Ministry of Finance No.: 01100-1000358802, reference 11 16110-7111290-000699.
