

## TEHNIČNA DOKUMENTACIJA / TECHNICAL DOCUMENTATION

Naročnik določa zahteve, ki jih mora ponudnik izpolnjevati v postopku oddaje naročila, in sicer v obliki tehničnih značilnosti, ki so podrobno opredeljene v nadaljevanju. Na podlagi tehničnih značilnosti bo naročnik ugotovil, ali ponujeni zakup izpolnjuje navedene zahteve.

Naročnik naroča programski paket **MATLAB Campus-Wide License** za obdobje 36 mesecev. Programski paket vključuje vse izdelke MathWorks-a, ki so vključeni v konfiguracijo Full Suite.

Ponudnik se zavezuje, da bo naročniku omogočil najnovejše posodobitve izdelkov predmetnega programskega paketa med celotnim trajanjem pogodbenega razmerja. Ponudnik naročnikovem uporabnikom in administratorjem nudi tehnično podporo praviloma v angleščini, če uporabnik drugače ne zahteva preko e-pošte, telefona ali spletne aplikacije.

### 1. Tehnična dokumentacija

Pogodba obsega zakup programske opreme: **MATLAB Campus-Wide License**.

MATLAB Campus-Wide License zajema:

- neomejeno uporabo izdelkov MATLAB in Simulink (vključno z več kot 100 dodatnimi orodji za specializirane naloge) za vse študente, fakulteto, osebje in raziskovalce - v kampusu in zunaj njega - na kateri koli napravi.
- Širok nabor virov za podporo poučevanju, učenju in skupnemu raziskovanju, kot so dostop do MATLAB Grader, Courseware in Virtual Labs ter samostojni spletni tečaji.
- Odprt dostop do skaliranja programov MATLAB in simulacij Simulink v gruče, oblake in centre HPC.

Matlab Campus-Wide licenca omogoča:

- Pokritost za vse zaposlene, študente in raziskovalce, na fakultetah tako na napravah v lasti univerze kot tudi v osebni lasti.
- Dostop v kampusu, v laboratoriju in na terenu ter doma, tudi brez omrežja.

The contracting authority determines the requirements that the tenderer is required to meet in the contract awarding process in the form of the technical characteristics defined in detail below. Based on the technical characteristics, the contracting authority will determine whether the tendered lease meets the relevant requirements.

The contracting authority is ordering **MATLAB Campus-Wide License** Software Package, for a period of 36 months.

Software package includes all MathWorks products included in the Full Suite configuration.

The Provider undertakes to keep the Customer up-to-date with the latest updates of the products of the subject software package throughout the duration of the contractual relationship. The Provider shall provide technical support to the Customer's users and administrators, as a rule in English, unless otherwise requested by the User via e-mail, telephone or web application.

### 1. Technical documentation

The contract covers the lease of the **MATLAB Campus-Wide Licence**.

The Campus-Wide License provides:

- Unlimited use of MATLAB and Simulink products (including 100+ add-on toolboxes for specialized tasks) for all students, faculty, staff, and researchers - on and off campus - on any device.
- A wide range of resources to support teaching, learning, and collaborative research, such as access to MATLAB Grader, Courseware and Virtual Labs, and self-paced online courses.
- Open access to scaling for MATLAB programs and Simulink simulations to clusters, clouds, and HPC centres

Campus-Wide License Features:

- Coverage for all faculty, staff, students, and researchers, on both university and personally owned devices.
- Access on campus, in the lab and field, and at home, including off network.

- Najširši in najsodobnejši nabor izdelkov, ki podpirajo vse od začetnih tečajev do naprednih akademskih raziskav.
- Ena licenca, ki olajša upravljanje licenc in zagotavlja skladnost z licencami za programsko opremo prek osrednjega upravljanja; zlahka se vključuje tudi v programe BYOD (bring-your-own-device).
- Cene, ki so sorazmerne z velikostjo študentskega zbora, kar zagotavlja stroškovno učinkovitost na uporabnika.
- Widest and most up-to-date array of products, supporting everything from introductory-level courses to advanced academic research.
- One license, which eases license management and ensures software license compliance through central administration; it also integrates easily into bring-your-own-device (BYOD) programs.
- Pricing proportional to the size of the student body, providing cost efficiencies per user.

## **2. Obseg in način standardnega vzdrževanja**

Ponudnik uporabnikom naročnika zagotavlja tehnično podporo 24 ur na dan, 7 dni v tednu, preko elektronske pošte, telefona ali spletnega obrazca.

## **2. Scope and method of standard maintenance**

The tenderer shall provide the contracting authority's users with 24/7 technical support, via email, telephone or an online form.
