

OBRAZEC R-1 / FORM R-1

**POTRDILO O REFERENCAH PONUDNIKA / CERTIFICATE OF REFERENCES OF THE
TENDERER**

REFERENČNI NAROČNIK (točen naslov) / REFERENCE CLIENT (exact address):

.....

Potrjujemo, da je izvajalec (točen naslov) / We hereby confirm that the contractor (exact address):

.....

in pri njem zaposleni kader (navedba kadra, v kolikor se naj slednji upošteva za merilo) / and the
personnel employed by the contractor (if relevant for evaluation):

.....

(navedba kadra, ki je sodeloval pri spodaj navedeni študiji) / (indicate the personnel who participated in the
study below):

je od 01.10.2020 dalje **uspešno zaključil naslednjo študijo/naslednje študije**, ki vsebujejo
težno-ekonomsko analizo vpliva novih elementov prenosnega omrežja in, / has, since 1 October
2020, **successfully completed the following study/studies** containing a techno-economic
analysis of the impact of new elements in the transmission network and,
(obkrožiti katero alinejo/alineje potrjuje naročnik referenčnega posla – možnih več alinej)
(circle one or more bullet points confirmed by the reference client – multiple options possible):

- v kateri je uporabljena CBA metodologija v skladu z navodili ENTSO-E za oceno tehn-
ekonomskih koristi novih elementov v prenosnem omrežju
/ applying the CBA methodology in accordance with ENTSO-E guidelines for assessing
the techno-economic benefits of new transmission network elements
- ki zajema izračun čezmejnih prenosnih kapacitet in oceno vpliva novih elementov
prenosnega omrežja na prenosne zmogljivosti med območji v flow-based metodi (cross-
zonal capacities in flow-based domain)
/ including the calculation of cross-zonal transmission capacities and assessment of the
impact of new transmission elements on transfer capacities between zones using the flow-
based method (cross-zonal capacities in flow-based domain)
- ki vključuje modeliranje in simulacijo na podlagi metode flow-based market coupling
/ including modelling and simulation based on the flow-based market coupling method
- ki vključuje oceno vpliva kontrolabilnih naprav v prenosnem omrežju (PST, SSSC, HDVC,
...) na obratovanje prenosnega sistema
/ including assessment of the impact of controllable devices in the transmission network
(PST, SSSC, HDVC, ...) on the operation of the transmission system
- ki vključuje analizo slovenskega, madžarskega in slovaškega prenosnega omrežja in
vpliva kontrolabilnih naprav, ki so umeščene v omrežja vseh treh držav
/ including analysis of the Slovenian, Hungarian and Slovak transmission networks and
the impact of controllable devices located in the networks of all three countries

Ime študije/študij (ponudnik navede imena študij, na katere se nanaša/nanašajo označena/e alineja/alineje)/ **Title(s) of the study/studies** (the tenderer shall indicate the titles of the study/studies corresponding to the marked item(s):

.....
.....
.....

Datum zaključka študije / Date of study completion:

.....

Za zgoraj navedenega izvajalca potrjujemo, da je v navedenem obdobju izvedel zgoraj navedena dela in da so bila izvedena pozitivno, tj. skladno s pogodbo, terminskim planom, predpisi, standardi, brez napak ali reklamacij.

/ We hereby confirm that the above contractor carried out the above works during the stated period and that the works were completed successfully, i.e. in accordance with the contract, schedule, regulations, standards, and without defects or complaints.

Javnemu naročniku ELES, d.o.o. dovoljujemo, da preveri resničnost navedenih podatkov.
/ We authorize the contracting authority ELES, d.o.o. to verify the accuracy of the information provided herein.

V/Na, dne
/ In, on

REFERENČNI NAROČNIK / REFERENCE CLIENT:

Zakoniti zastopnik naročnika referenčnega posla / Legal representative of the reference client

Podpis / Signature: _____

Ime in priimek / Name and surname: _____

Funkcija / Position: _____

Žig (če je na voljo) / Stamp (if applicable): _____
