

This architectural floor plan illustrates a radio studio layout. The plan is divided into several functional areas:

- Top Studio Area:** Features a large central area with a dashed-line footprint of a radio broadcast booth. Dimensions include 200 and 100. A label "TV MONTIRAN NA STENO" is present. To the right is a smaller area labeled "DWGALO 4,50 m²".
- Bottom Studio Area:** Similar to the top area, it contains a dashed-line footprint of a radio broadcast booth with dimensions 210 and 100. A label "TV MONTIRAN NA STENO" is also present.
- Central Corridor/Service Area:** Contains a sink, a toilet, and a storage area labeled "KL01". Dimensions include 100, 100, and 100. A label "DW01" is also present.
- Right Side:** Includes a desk with a chair, a storage area labeled "KL01", and a storage area labeled "KL01".
- Left Side:** Features a large window area with a label "K2".
- Bottom Left:** Includes a storage area labeled "K2" and a storage area labeled "B B B".
- Bottom Right:** Includes a storage area labeled "B B B".

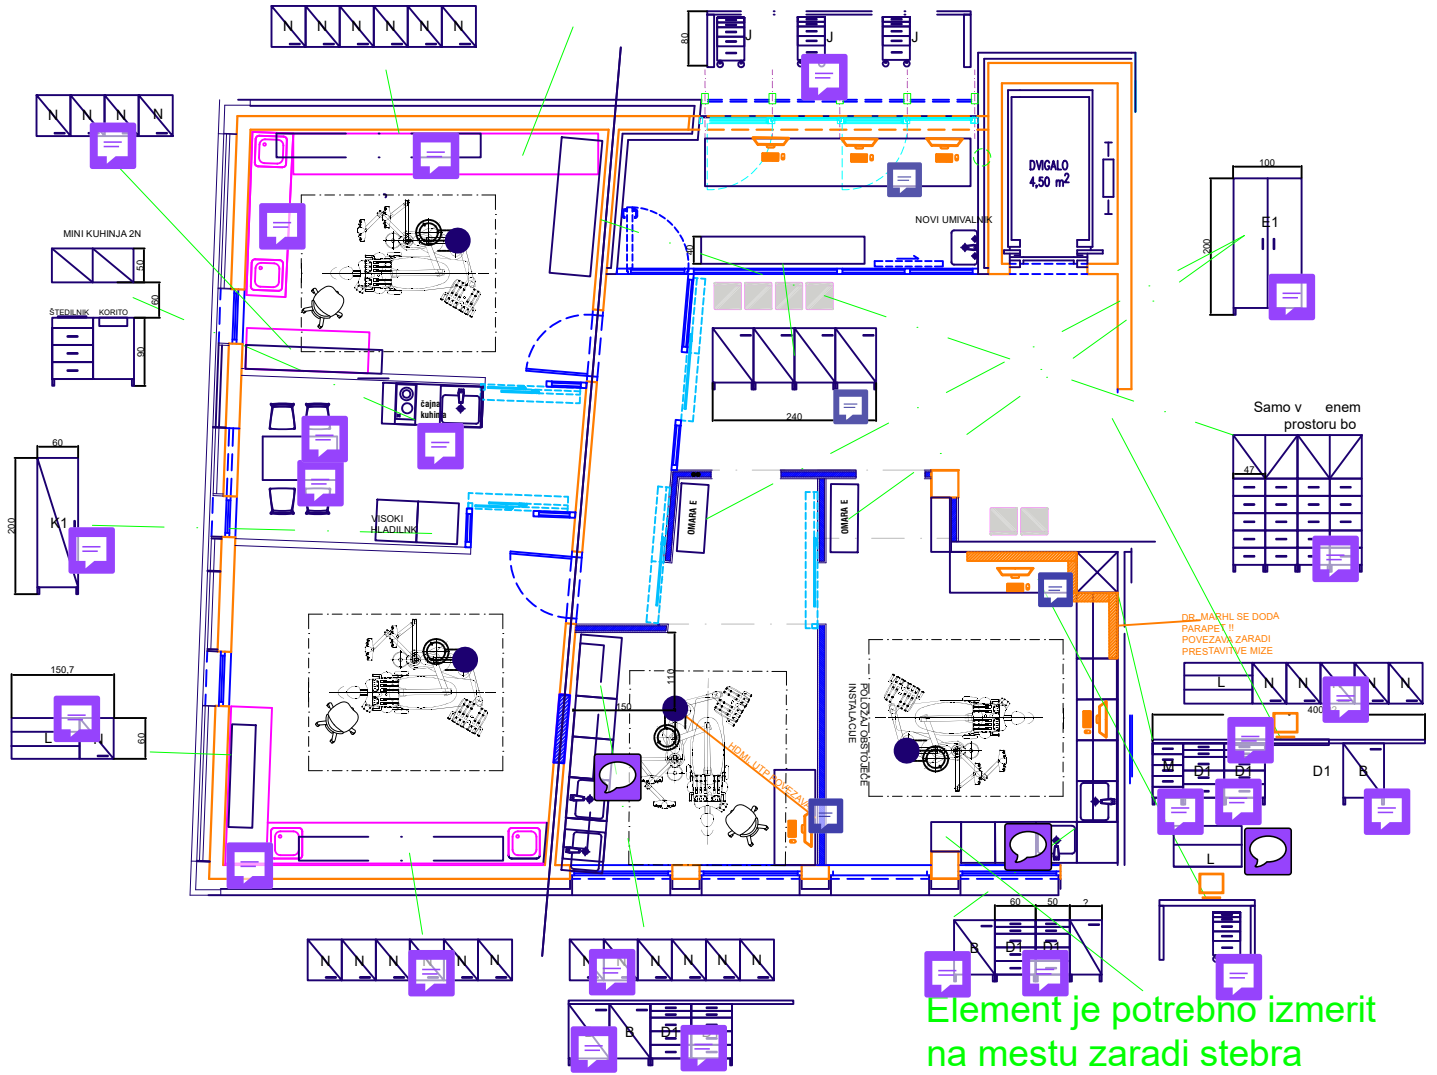

The plan uses various line styles (solid, dashed, dotted) to represent different types of walls and partitions. It also includes numerous dimension lines and labels for specific areas and features.
