

**Summary of technical specifications or
the technical part of the public procurement documentation relating to the award of the contract**

» Implementation of environmentally less burdening electronic archiving«

HSE is the holder of the joint business process of information support for several companies of the HSE Group (Dravske elektrarne Maribor d.o.o. (DEM), Soške elektrarne Nova Gorica d.o.o. (SENG), HSE INVEST d.o.o. (HSE INVEST) and RGP d.o.o. (RGP), which is why e-archiving services under this public contract are provided to both HSE and the aforementioned subsidiaries (DEM, SENG, HSE INVEST and RGP).

The subject of the public contract is:

- establishment of certified electronic archive in the Contractor's cloud,
- conversion and import of materials from files into electronic archive,
- electronic archiving services and technical support for a period of sixty (60) months.

In more detail, the public contract includes the following contents:

1. Establishment of certified e-archive for a multi-organizational environment for the above-mentioned companies from the Contracting entity's group; during the term of the contract the Contracting entity reserves the right to include additional companies;
2. Support in establishing seamless integration of the BusinessConnect document system with the e-archive;
3. Conversion and one-time import of material from different files:
 - Audio material;
 - Material to be captured from physical material by an external contractor who has been selected to capture the material. The material will be in agreed structure, and conversion by the selected e-archiving provider will not be required;
 - Material exported from the ODOS document system.
4. Electronic archiving of documentation with technical support for a period of sixty (60) months.

In case of potential differences between Slovenian text in the public procurement documentation relating to the award of the contract and this summary in English translation, the Slovenian version takes precedence.
