

VEP REGISTRATION

The prerequisite for registration is an electronic identity in the form of a qualified certificate for e-signature (certificate) or cloud based qualified digital certificate.

Certificates, that provide qualified e-signature, which is required by ELES d.o.o., can be issued by the following providers:

HALCOM-CA (Private key on a smart card or USB key)

[for natural persons and business entities](#)

POŠTA®-CA (Private key on a smart card or USB key)

[for natural persons](#)

[for business entities](#)

HALCOM ONE (Cloud based digital certificate)

[for natural persons and business entities](#)

SIGOV-CA (Private key on a smart card or USB key)

[for state authorities](#)

On the [VEP.si website](#) click on "Create an account for free" or go straight to [VEP account registration](#).

Select and confirm the qualified electronic signature certificate with which you want to register.

If a qualified certificate on a secure device for electronic signature is being used, the signature component VEP.Signature will be installed on your device during user registration. Click [here](#) for installation instructions.

If using Halcom One the signature component installation is not needed.

3. Sign contract

After reviewing the contract, indicate your agreement to the terms "I agree to the terms of the contract and sign it as such" and sign it by clicking **"Sign the contract."**

After successfully signing the contract, a registered secure electronic inbox will open for you.

You will receive an electronically signed copy of the contract during the registration process. If the contract was electronically signed by the natural person who owns the inbox or a legal representative of the legal person, you do not need to send a written copy. If you still want your written copy of the contract, send us two printed and signed copies to our address Eius d.o.o., Grudново nabrežje 15, 1000 Ljubljana, Slovenia. We will return one copy, signed by us, to you by mail.

If the registration is not performed with a qualified certificate of the legal entity's representative *"The contract will be concluded in writing (I am not a representative / I do not agree with the content of the contract),"* save the contract by clicking on the **"Download contract"** button and then complete the procedure by clicking on the **"Submit the application"** button.

To fully activate the secure mailbox post us the physical copy of the contract, signed by the representative, to our office address address Eius d.o.o., Grudново nabrežje 15, 1000 Ljubljana, Slovenia. If you can sign the contract electronically, send us a signed copy to our email address pisarna@eius.si.

The VEP account will be activated when we receive a signed contract from the legal representative.

Article 6
The Client undertakes to pay the invoice within 15 days of receipt. An invoice is issued monthly for services rendered in the previous month. In the event of late payment, statutory default interest is charged.

EXCLUSION AND LIMITATION OF LIABILITY
Article 7
Neither party shall be liable for any breach of this contract if the inability to perform the contract or individual provisions thereof is due to unforeseen or unexpected events commonly known as force majeure, or actions of the state or other competent administrative authorities or actions of third parties other than dependent on the will of the parties and could not be expected, prevented or deterred by the parties. Each party is obliged to immediately notify the other party in writing of the occurrence of such an event.

CONFIDENTIALITY AND DATA PROTECTION
Article 8
The contracting parties undertake to protect the data from this contract as a business secret and in accordance with the Personal Data Protection Act.

FINAL PROVISIONS
Article 9
An integral part of the contract are also the General Terms and Conditions for the use of a secure electronic mailbox (hereinafter referred to as the General Terms and Conditions) which regulate issues not defined in this contract. The Contractor reserves the right to change the General Terms and Conditions. The general conditions are published on the vep.si portal.

Article 10
The contract is concluded for an indefinite period and enters into force on the day of signing by the contracting parties. Either party may terminate the contract (regular termination of the contract). The notice period is 15 days and starts from the day of service of the written notice to the other contracting party.

In the event of a breach of contractual obligations (extraordinary termination of the contract), the party must notify the party violating the contract and give it an additional deadline to eliminate the breach, which may not be less than 15 (fifteen) days from notification. If the party in breach of the contract does not remedy the breach, the contract shall terminate on the date of expiry of the time limit for remedying the breach.

Article 11
Disputes that the parties will not be able to resolve amicably will be resolved by the competent court in Ljubljana.

Article 12
This contract is made in 2 (two) identical copies, of which each contracting party receives 1 (one) copy.
