In pursuance of Article 90 of the Public Procurement Act (ZJN-3, Official Gazette of the Republic of Slovenia, No. 91/15 with all amendments) Nuklearna elektrarna Krško, d.o.o., Vrbina 12, 8270 Krško (hereinafter: Purchaser), represented by Gorazd Pfeifer, President of the Management Board, and Saša Medaković, Member of the Management Board, adopts the following,

DECISION ON CONTRACT AWARD

for **"Eddy Current Inspection and Corrective Actions on In-core Thimble Tubes during NEK Outage 2027"**

to the only Bidder "**FRAMATOME SAS, Tour AREVA - 1 Place Jean Millier, 92400 Courbevoie, France**".

Explanatory Note

The Purchaser has implemented the Public Tendering Negotiation Procedure without prior notification for "Eddy Current Inspection and Corrective Actions on In-core Thimble Tubes during NEK Outage 2027" in accordance with Art. 46, first paragraph, point c., of the Slovenian Public Procurement Act (ZJN-3).

The Purchaser provided the "Instructions to bidder for the public tender" (April 10, 2026) to the only potential Bidder "FRAMATOME SAS, Tour AREVA - 1 Place Jean Millier, 92400 Courbevoie, France".

By the extended Bidding deadline, May 20, 2026, at 1:00 p.m., the Purchaser received Bid No. 90052530, amounting to EUR 347,807.00 (VAT excl.).

Following the review of the Bid, NEK determined that the Bidder should be informed of the reasons the proposed contract amendment was unacceptable and requested that the Bidder revise the technical part of its Bid. The Bidder submitted a revised bid, No. 90052530, Rev. 1, within the required deadline, in the amount of EUR 334,479.00 (excluding VAT).

After reviewing the revised Bid, NEK established that the Bid is technically acceptable; however, a meeting was required to align the contractual provisions. The meeting was held on 5 August 2026. It was concluded that further negotiations regarding the contractual provisions would be required. The Purchaser and the Bidder met again on 2 September 2026, 3 September 2026, and 4 September 2026. The final content of the contract was agreed on 18 September 2026.

The Bidder was requested to submit its Final Bid by 9th October 2026, at 1:00 p.m. By the extended Bidding deadline, the Purchaser received Final Bid, No. 90052530, Rev. 1, with a Final Bid Price of EUR 334,479.00 (VAT excl).

The Purchaser has decided to accept this Bid.

Given the aforementioned details, the public procurement contract for the "Eddy Current Inspection and Corrective Actions on In-core Thimble Tubes during NEK Outage 2027" has been awarded to "FRAMATOME SAS, Tour AREVA - 1 Place Jean Millier, 92400 Courbevoie, France" as the sole qualified Bidder, due to their ability to meet the terms, conditions and delivery timeframe specified by Purchaser.

The Purchaser's decision is thus reasoned entirely.
